Please remind that any journalist who would like to interview a Synodal Father or any other participant in the Synod, is free to do so by making private arrangements directly with the proposed interviewee.

The accredited journalist may also send an e-mail with an interview request to **sinodo@salastampa.va** addressed directly to the Synodal Father in question or other Synodal participant. The Secretariat of the Synod will then ensure that the request for the interview goes to the intended recipient. It will then be the responsibility of the proposed interviewee to reply if they are

able to and if they are available for interview to then make suitable arrangements for the personal interview outside the Paul VI Hall.
